

Editorial illustration. The fork represents two outcomes.

Why did two cities face different orders?

Compare what Israeli forces ordered in Lydda and Nazareth with what happened to Palestinian residents. Then ask how later decisions about return and property could make displacement last.

HOW TO BEGIN

Choose **For Class** to write and save a report for your course, or **For Fun** to explore with optional notes. Plan 60 to 75 minutes for the Class activity after the readings.
